CONSENT TO PARTICIPATE, RELEASE, and MEDICAL AUTHORIZATION

Name of Minor Child: _____ Birthdate: _____

I, the undersigned parent or legal guardian of the above-named minor, know that I may not be available to authorize medical care of said minor child and I wish to appoint someone to act in my place in my absence and to give such authorization. This authorization is intended to give the Oak Ridge Civic Ballet association staff (herein referred to as ORCBA) the right to give consent to authorize emergency medical care.

It is intended that this document be presented to the physician or appropriate hospital or medical representative at such times as the medical care shall be authorized. It is intended that the authorization relieve the physician, dentist, person rendering such care at the hospital or institution in which such care is given, from any liability resulting from the failure of me, the parent or guardian of the above-named minor, from signing a consent or authorization to render such care. It is the intent that ORCBA shall act in my stead in making such decisions.

I have put the important medical facts, if any, on this form. The medical facts are intended to help the doctor in deciding what treatment is to be given, but are in no way intended to restrict the giving of authorization or consent by ORCBA. I understand that this form is in effect from the date signed and that it is my responsibility to inform ORCBA of any changes to this form. It is my understanding that this form also serves to establish my consent and permission for the above-named minor to participate in ORCBA programs, and to be photographed for use by ORCBA in advertising and public relations.
